

# The Ladies Just Like To Have Fun

Step out with some gals that just enjoy a good time.

## The Swiss Ladies

**Society** gathers monthly, normally the second Monday of the month, for either a lunch meeting at the Swiss Park, a party like our "Hat Day," maybe a fashion show, a garden walk or perhaps a local winery for a little tasting.

*Our club believes in the more, the merrier, so husbands and friends are welcome to join in for the good times.*

For more information phone or email: **President Phyllis Crane** (714) 992-1481, [dr.phyl@att.net](mailto:dr.phyl@att.net).

**Come and check us out ... your new friends are just waiting to meet you!**
